

Jeremy Kahn - Front End Web Developer

2738 North Pine Grove. Chicago, IL 60614.

Email: jeremyckahn@gmail.com. Tel: 847.347.8086.

<https://github.com/jeremyckahn> www.jeremyckahn.com

Skill set:

JavaScript, JavaScript framework development, web animation development, AJAX, CSS, HTML.

Education:

Columbia College Chicago. 600 S. Michigan Avenue. Chicago IL. 60605.

2006-2009. Received BA in Game Programming. GPA: 3.5. Graduated with honors.

Experience:

VSA Partners. Developer. 2011 - Current.

Github: <https://github.com/vsa-partners>

I focus on front end development for client facing websites. I use JavaScript, CSS and HTML to add interactivity to pages and bring designers' visions to life. Clients include Avery Dennison, GE, Allstate, CME Group, and KKR. I also maintain VSA's public Github account which hosts several tools and frameworks that I built.

Jupiter IT. Senior Developer. 2010.

Worked to develop projects for clients Mindjet and Archer (subsidiary of RSA). Helped maintain JavaScriptMVC, an open-source platform for enterprise-scale JavaScript applications.

Venturality. Web Developer. 2010.

Used a variety of technologies to deliver web-based solutions to clients. Primarily focused on PHP and Drupal, but also worked extensively with JavaScript and jQuery. Clients included Edrop-Off, and Chicago Sport and Social.

Extracurricular:

Kapi. <http://jeremyckahn.github.com/kapi/>

An HTML5 keyframe animation framework that I created and maintain. It is built in pure JavaScript and is freely distributed under an MIT license. In use at VSA Partners.

Member of JS.Chi Chicago JavaScript Meetup group, and Refresh Chicago web development/design Meetup group.
